Serving the communities of Dyersville, Earlville, Farley, Luxemburg, New Vienna, Petersburg and Worthington

Dear Chamber Member,

Winter time can be a slow time for most businesses but thanks to three area financial institutions an extra \$30,000 will be spent around the area! Community Savings Bank of Dyersville, Dubuque Bank & Trust of Farley & Fidelity Bank & Trust of Dyersville have teamed up with the Dyersville Area Chamber of Commerce to offer Chamber Dollars at a 10% discount! Each financial institution donated \$1,000 so \$30,000 in Chamber Dollars are available at the discount. These certificates will be sold one day only, Saturday, January 28 from 8:30 – 11:00 am at these 3 financial locations.

For example: If you wanted \$100 in Chamber Dollars – it would cost you \$90.

The certificates will be smaller and blue in color. Please redeem these as you would regular Chamber Dollars – bring them to the Dyersville Area Chamber of Commerce and we will write you a check for the face value. If a customer doesn't use the full \$25 certificate, please give them cash back because, again, we will give you a check for \$25.

Since we want people to use the certificates now, during the slow months, we put a 3 month expiration date on them. You may still take them if they are expired or they can come to the chamber office to get them reissued.

We thank you for being a chamber member and we hope you and your customers take advantage of the Chamber Dollar Discount Day and keep the money local! Please call if you have any questions!

Sincerely,

Karla Thompson, Executive Director
Dyersville Area Chamber of Commerce
