

Dentist

Stone Creek Dental

Dentists are the core of our team! We have an opportunity for a skilled, personable, team-oriented Dentist to add to the success of our practice! Our ideal dentist has experience in a cosmetic or general high-end practice, feels comfortable diagnosing and presenting comprehensive treatment plans, values relationships with patients and team members, and the ability to manage a productive work schedule. In addition, candidates should be proficient in performing diagnostic exams and complex dental procedures such as crown and bridge, composite fillings, cosmetic dentistry in general and be willing to grow further with our practice.

Job requirements:

Dental doctorate degree from an accredited dental school, State license and regional boards, and eligible to practice dentistry in the state of Iowa.

Experience needs will vary based on the needs of the practice.

Needs to be CPR certified.
