

General Laborer/ Ground Guy for Crane Operator

Advanced Precast Company

APC is looking for someone to be the ground guy for our crane operator. This job includes guiding the crane operator, hooking up rigging to panels, climbing on panels, moving yard trucks and trailers around and helping maintain a clean yard. Strong communication skills are required. Must work outside year-round. Pre-employment drug screen is required. We offer holiday and vacation pay, 401K, health, dental, life and Aflac.

Position is Full Time

6AM-5PM

Salary \$15.00 to \$17.00/ hour

This position is for someone who is dependable, reliable, enjoys interacting with people and working on group projects. Must be adaptable and flexible. We would like someone who can focus on the details, and be able to tolerate high pressure environments.
